IN THE LAST TEN YEARS

Leo and I both retired in 2009. We were planning for our retirement when I was diagnosed with ovarian cancer. Needless to say, things have been a bit hectic since.

To go back to the last 10 years; our son, David married Uta and they have a 14-month-old daughter, Mari. They live close by and we see them often. LeAnn married Don and they have a 4-year-old daughter, Scarlett and a 20 month old boy, Donny. They are all healthy and add a lot to our lives. Leo and I went to Europe for the first time ever and met David's host family to celebrate his German Mom's 70th birthday. He lived with them for a year his junior year in high school. They added him to their family.

My Dad lived with us about 6 years until his death. He was such an inspiring individual. He went out into the wetlands almost every day until the last couple of months. The reunion sounds like fun and I wish I could be there. It is hard to believe so many years have gone by when the memories are so clear. Thank you to all of you who put so much time in on this.
