## IN THE LAST TEN YEARS

We did not receive any responses from Larry. His brother, Danny, was kind enough to respond that Larry was not coming to the reunion and did not want to send us a recent picture. This photo is the same one used in the 40<sup>th</sup> reunion book.

Larry and his wife still live in Milliken, Colorado. They enjoy retirement and being near their two children and families. Larry retired from Eastman Kodak in Windsor in March 2002. We wish him another ten years of success.
