IN THE LAST TEN YEARS

Well, these past 20 years have certainly been different than we ever anticipated! We did retire and led many mission trips to Mexico, Africa and Dominican Republic. It was exciting and rewarding to be a part of God's work in these countries.

Six years ago it was very evident that God was calling us to a "mission" at home! We had 3 grandchildren that needed us emotionally and financially. It was and is a challenge to raise kids again but have loved being a part of their lives. Danielle is 19, going to college and working. Jason is 17, and a great point guard in basketball. Matthew is 13, and playing his favorite game, hockey.

Our son Alan and his wife, Mandy, adopted Megan from China four years ago. She is our princess and we love to have her come and spend time with us and her cousins! Amy had one more son, Blake, who is a blessing to us all! He is 2 $\frac{1}{2}$ years old, Linda's hockey buddy, and everyone's favorite!!

Richard is now working full time for Habitat for Humanity in charge of all construction for Orange County. It keeps him very busy but allows him very little time to go fishing!! Linda is full time at home with Blake and quilting when she finds time and of course attending Anaheim Duck hockey games!

Looking forward to seeing you all! Nebraska here we come!!
